

# WHAT'S ON AT THE WORKSHOP

There's plenty happening at the workshop - whether you're keen to learn new skills, work on a project, or get involved in the community.

May / June

**Tuesdays 3.30 - 5.30pm**  
**6 Week Block - \$150.00**

Learn to sew and to make your own clothes in our fun after-school sewing class! You'll gain the skills to cut, stitch, and finish garments with confidence. Perfect for beginners or those with a little sewing experience. Suitable from 10 years and up.

Waitlist

**Thursdays 6.00 - 8.30pm**  
**6 Week Block - \$270.00**

Women-only workshop building confidence with power tools and timber. Guided by highly skilled tutor Laura, you'll learn practical skills and create your own project. No experience needed. Materials provided.

**Taking interest now!**

A new workshop designed for college students to create their own ball outfit with guidance, support and access to the sewing room. Learn skills, build confidence, and walk into your formal wearing something you made yourself

Got a practical skill to share?

We're looking for skilled tradespeople, makers, tutors or experienced locals who would be keen to teach workshops or help run new classes at Wānaka Community Workshop.

We're open to all kinds of practical skills - if you've got knowledge to share and enjoy helping others learn, we'd love to hear from you!

- Saturday 10.30 - 4.30pm

### Weekly Volunteer Sessions

- Wednesdays 9.30am - 12.30pm

## Project Spotlight

### Predator Free Wanaka

This week our workshop volunteers delivered a new training aid to support Predator Free Wānaka trapping workshops, a custom-built trap with a perspex side and lid so trainees can safely see how traps are baited and set.

Predator Free NZ leads important community efforts to create safer habitats for endangered species.
